EXPERIENCE

Sushi Chef, WaterGrill; San Diego, CA— March 2022-Present

- Set up stations pre-service and made sure we had adequate supplies for service
- Cleaned up stations post-service, including packing up and labeling
- Communicated with prep kitchen for future service needs
- Made sure walk-ins were clean and appropriately labeled

Line Cook, Nobu Chicago; Chicago, IL — August 2020-January 2022

- Worked under Executive Chef Sean Tan to make sure Nobu Chicago would exceed expectations during its opening, in October 2020
- Mainly Grill/Sauté but would work any station that needed an extra hand
- Set up stations pre-service and made sure we had adequate supplies for service
- Cleaned up stations post-service, including packing up and labeling
- Communicated with prep kitchen for future service needs
- Made sure walk-ins were clean and appropriately labeled

Digital Intern, Sydney Children's Hospitals Foundation; Sydney, Australia— June 2018-August 2018

- Responsible for coordinating the development of the Foundation's website to facilitate the recent expansion of entities to include The Children's Hospital Westmead, Bear Cottage, NETS and Kids Research in conjunction with a Digital Producer
